Families of Children Birth to 5 Parent Group

This group is for parents and caregivers of young children with disabilities or special health care needs. Discussions will include clarification of critical issues related to parenting and caregiving, as well as providing much needed information, resources and emotional support. Come and talk with other parents with similar experiences.

Meets on the 1st Tuesday of each month

6:30-8:00 pm

During shelter-in-place, this group is being run online through Zoom.
